

2018 WaterSense Residential Irrigation Controller Rebate Information

Effective January 1, 2018

How to Apply:

1. Start by purchasing a qualifying EPA WaterSense certified irrigation controller. Only controllers on the WaterSense list at http://www.epa.gov/WaterSense/product_search.html are eligible for a rebate. We recommend printing the list and taking it with you when purchasing your new controller.
2. Install the new controller, check the irrigation system and take a photograph to attach to the rebate application.
3. Sign the Affidavit of Lawful Presence in the U.S. and photocopy your driver's license or other legal form of identification.
4. Complete the Residential Water Efficiency Rebate Form, - http://www.thorntonwater.com/PDFs/Residential_Water_Efficiency_Rebate_Form.pdf (**make sure name on the application matches the name on your water account and identification**) and attach:
 - a. Affidavit
 - b. Photocopy of driver's license or other legal identification
 - c. Photocopy of receipt (must include brand and model, price and date of purchase)
 - a. Photo of installed controller (photos can also be shown from a cell phone in person or e-mailed)
5. E-mail to water@ThorntonWater.com or mail or bring in the completed application to:
City of Thornton
Infrastructure Maintenance Center
12450 Washington Street
Thornton, CO 80241

If approved, a rebate credit of the cost of the irrigation controller up to \$200, taxes and installation costs excluded, will be applied to your water bill approximately two months after the application is received. There is a limit of one controller rebate per account per 10 years. The City will notify you if the application does not meet program requirements.

Thank you for considering the installation of a smart irrigation controller! Please visit www.ThorntonWater.com for more ways to save water.

2018 WaterSense Irrigation Controller Rebate Rules and Eligibility

- ◆ The program applies to WaterSense certified irrigation controllers purchased in 2017 and 2018.
- ◆ The irrigation controller must be installed in a residence located within the City of Thornton water service area.
- ◆ Participants must have current, non-delinquent accounts as City of Thornton water customers or accounts that receive Thornton water. Sewer only customers are not eligible.
- ◆ A photograph of the new, installed irrigation controller must accompany the rebate application.
- ◆ A legible, itemized copy of the sales receipt must accompany the rebate application.
- ◆ Incomplete applications and those without a copy of the purchase receipt(s) and required photographs will be denied.
- ◆ Participants must provide proof of their lawful presence in the United States according to provisions of Colorado Law (Immigration Law, HB 06S-1023). Under the law, anyone 18 years of age or older must prove lawful presence in the United States in order to receive non-emergency public benefits. This applies to City of Thornton rebates. In order to prove lawful presence in the United States, you must produce a valid Colorado driver's license or other valid form of identification. This information will remain confidential. In addition, participants must sign an affidavit either: (1) you are a United States citizen; or (2) you are a legal permanent resident of the United States; or (3) you are otherwise lawfully present in the United States pursuant to federal law. The affidavit is included in the rebate application.
- ◆ The name on the rebate application must match the name of the Utility Billing account and identification.
- ◆ Site may be subject to inspection by City of Thornton staff, which will be scheduled prior to rebate being issued to the account.
- ◆ Rebates are offered on a first-come, first-served basis and are subject to the availability of funds.
- ◆ A rebate of the cost of the irrigation controller up to \$200, taxes and installation costs excluded, will be credited to the customer's account for the installation of a new, qualifying WaterSense certified irrigation controller.
- ◆ Irrigation controller rebates are limited to one per household per 10 years.
- ◆ Pre-owned, leased irrigation controllers or controllers that were free are not eligible for rebates.
- ◆ Both existing and newly built homes are eligible for the irrigation controller rebate.
