Program Steps:

1. Start by purchasing a rain sensor device.
2. Install the new rain sensor and take a photograph to attach to the rebate application.
3. To apply for the rebate:
 - a. For faster processing, fill out the online rebate form on Thorntonwater.com/rebates.
 - b. If you prefer to fill out the paper form and mail or email it, print and complete the Residential Water Efficiency Rebate Form found on Thorntonwater.com/rebates. Include the following documents:
 - i. Signed Affidavit
 - ii. Photocopy of driver's license or other legal identification
 - iii. Photocopy of receipt (must include brand and model, price and date of purchase)
 - iv. Photo of installed rain sensor (photos can also be shown from a cell phone in person or e-mailed)
 - v. [IRS W-9](#)*

**Tax Notice:* All HOA and/or landlord rebates will require submittal of a W-9 form to the City of Thornton. All personal information provided within the W-9 is kept confidential in accordance with the Privacy Act. The determination of whether your rebate is taxable or not may depend on several variables. We recommend contacting your tax professional.

- c. E-mail to Water@ThorntonWater.com or mail or bring in the completed application to:

City of Thornton
Infrastructure Maintenance Center
12450 Washington Street
Thornton, CO 80241

If approved, a rebate credit of \$25 will be applied to your water bill approximately two months after the application is received. There is a limit of one rain sensor rebate per account. City staff will notify you if the application does not meet program requirements.

Thank you for considering the installation of a rain sensor! Please visit ThorntonWater.com for more ways to save water.

2019 WaterSense Rain Sensor Rebate Rules and Eligibility

- ◆ The program applies to rain sensors purchased in 2018 and 2019.
- ◆ The rain sensor must be installed on a residential property located within the City of Thornton water service area.
- ◆ Participants must have current, non-delinquent accounts as City of Thornton water customers or accounts that receive Thornton water. Sewer only customers are not eligible.
- ◆ A photograph of the new, installed rain sensor must accompany the rebate application.
- ◆ A legible, itemized copy of the sales receipt must accompany the rebate application.
- ◆ Incomplete applications and those without a copy of the purchase receipt(s) and required photographs will be denied.
- ◆ Participants must provide proof of their lawful presence in the United States according to provisions of Colorado Law (Immigration Law, HB 06S-1023). Under the law, anyone 18 years of age or older must prove lawful presence in the United States in order to receive non-emergency public benefits. This applies to City of Thornton rebates. In order to prove lawful presence in the United States, you must produce a valid Colorado driver's license or other valid form of identification. This information will remain confidential. In addition, participants must sign an affidavit either: (1) you are a United States citizen; or (2) you are a legal permanent resident of the United States; or (3) you are otherwise lawfully present in the United States pursuant to federal law. The affidavit is included in the rebate application.
- ◆ The name on the rebate application must match the name of the Utility Billing account and identification.
- ◆ Site may be subject to inspection by City of Thornton staff, which will be scheduled prior to rebate being issued to the account.
- ◆ Rebates are offered on a first-come, first-served basis and are subject to the availability of funds.
- ◆ A rebate of \$25 will be credited to the customer's account for the installation of a new rain sensor.
- ◆ Rain sensor rebates are limited to one per household per 10 years.
- ◆ Pre-owned, used rain sensors or sensors that were free are not eligible for rebates.
- ◆ Both existing and newly built homes and properties are eligible for the rain sensor rebate.
